Community Champions environment quarter application form

Community Champions is for local community groups wishing to receive support from Lincolnshire Co-op. Our scheme is unique as it's linked directly to our members - every time they shop and use their dividend card your community group could receive some money.

Between June and September each year we'll be supporting environmental causes. In 2017 this will be community green spaces which includes parks, schools, community gardens, allotments, woodlands and playing fields.

We're looking for 10 - 20 community projects, so apply now, **the application window is only open until Friday 13th January 2017.** We anticipate projects will receive between £5,000 - £10,000 each. In order to apply you will need 5 members of Lincolnshire Co-op to support the application. Projects will be chosen at our environment forum in February 2017.
