

## Community Champions central list application form

Community Champions is for local community groups wishing to receive support from Lincolnshire Co-op. Our scheme is unique as it's linked directly to our members - every time they shop and use their dividend card your community group could receive some money.

Being on the central list means that our members can choose to support you - it's not automatic. If you want to make the most of the scheme you will need to promote it to your supporters.

In order to apply you will need 5 members of Lincolnshire Co-op to support the application, all of these people will automatically be set up to support your community group.

The brilliant thing is there is no limit to the number of members who you can get to support you, so the more you promote it, the more you'll receive.

**At the end of each year we'll send you whatever you've raised.**
