# CREATING A BESPOKE TRIBUTE

At Lincolnshire Co-op florists, we are very proud of the quality and variety of different floral tributes that we can create.

You might consider having a bespoke floral tribute to reflect your loved ones interests, hobbies, favourite colours or personality.

This brochure is filled with unique floral tributes that our talented florists at Lincolnshire Co-op have created. They've made modes of transport such as cars and boats to animals and musical instruments. The designs show here are just a small selection of some of the tributes we have created.

If you would like something completely unique, simply let us know your ideas and we will offer advice.

We can then speak to our local florist team about the design and ensure that the floral tribute is exactly as you imagined it.

If you would like us to replicate an item, vehicle or even pet, please do provide us with a photograph to enable us to add all those personal touches.
