

# Community Champions Environment Quarter application form

Community Champions is for local community groups and charities wishing to receive support from Lincolnshire Co-op. Our scheme is unique as it's linked directly to our members – every time they shop and use their dividend card money will go to their local Community Champion, linked to where they live.

Between June and September 2019 we will be supporting local groups who are improving their physical environment. This can include In Bloom groups, outdoor arts projects, parks, playing fields, community spaces etc. We anticipate that each group will receive £1,000 - £5,000.

Community Champions will be selected in February 2019 and announced at our Environment Forums, they may be voted for by our members.

Any local charity or community group can apply as long as your project is improving your local environment, you're near to one of our branches and the money will be used locally. If you would like to apply, please fill in the application below and send to the Community Team by **Friday 14th December 2018**.
