Give a little something this Christmas...
#GiveALittleSomething

How can I take part in the Food Bank Advent Calendar?

Food banks are providing vital food for people who are having a hard time, so this year we've decided to reverse the traditional advent calendar and invite people to #GiveALittleSomething with the Food Bank Advent Calendar.

Every day from 1st – 24th December there's a different item to donate to your local food bank. In Lincolnshire Co-op food stores you'll find advent calendar numbers around the store highlighting the products, which are the most frequently requested items by your local food bank. Simply pop them in the collection bins in store, after you've done your shopping.

You can also create your own collection box at home, work or school and build up your advent calendar items. This can then be delivered direct to your local food bank in the new year – when they may struggle for donations after the Christmas surge. They will be happy to accept any non-perishable items and will be grateful for donations throughout the year.

You can find your local food bank details below or by visiting lincolnshire.coop/community.

Did you know that you can also donate your dividend or make a cash donation at the till point? You can do this from Day 1 of the advent calendar or throughout the whole of December, just let our colleagues at the till know how much you'd like to donate, and we'll add it on to your shopping.

We know that not everyone is able to donate at this time, but there are other ways you can support. Even just sharing the advent calendar will be a huge help and if you have time to spare, why not volunteer to help your local food bank at one of their busiest times of the year?

If you would like more information, please contact Lincolnshire Co-o's Community Team on 01522 544 632 or email community@lincolnshire.coop.
