Personalised Service Stationery

Order of Service

An Order of Service assists with the smooth running of the funeral as well as being a unique and special keepsake for all your family and friends to remember the deceased. Even those unable to attend the service will be able to privately say goodbye.

Should you wish to have an Order of Service produced for the funeral of your loved one, we can help you to create a high quality booklet for the service.

Your Order of Service can be completely personalised to include anything you would like, whether it be a hymn, a photo, a reading or something your loved one would have liked to be remembered for.

Please feel free to discuss your requirements with our staff. They will be pleased to guide you through the process and show you the styles that are available.

Designs

In this brochure you will discover our full range of designs for your Order of Service booklet. Start by choosing the design you would like and then add your personalised content of hymns, readings, dedications or photographs. We can accommodate all requests.

One of our Graphic Designers will then put together your Order of Service, creating the very best layout and design for your chosen style. All our Order of Service booklets are printed on high quality card to the most exacting standards, resulting in an enduring dedication to a wonderful life and a keepsake which can be shared with everyone.

Additional Products

As well as the Order of Service, we also offer a full range of matching stationery.

All designs also available **without a photo** in both card finishes
