

Thank you for your support
whilst we've been working to get
our businesses back up and running
in Nettleham

The first stage of this is to open a pop-up shop. As the pop-up shop is opening on Wednesday 21st May, and based on customer numbers, we will be revising the timetable of the free bus service from **Tuesday 27th May**.

The bus service will continue to run to our food store, post office and pharmacy in Welton every weekday from Monday to Friday with two return journeys each morning and no afternoon service.
